The chief inspector or designee has sole discretion to determine whether such documents may be viewed or photographed during voting hours.

Election Observers may not:

- Engage in electioneering*
- Video and still cameras are not allowed
- Handle official election documents
- Have conversations about candidates, parties or ballot questions
- Make calls / use cell phones for voice calls inside the polling area (texting or other silent usage is acceptable if it is not disruptive)

Communications Media:

Observers from communications media organizations shall identify themselves and the organization they represent to the chief inspector upon arriving at the polling place. The inspector shall record the information on the EL-104, Inspectors Statement. Video and still cameras are allowed if their use is not disruptive or show how an elector has voted.

Capacity and COVID-19 Issues:

All observers are required to wear face coverings while inside the polling place, in-person absentee location or central count facility.

Due to polling place space constraints and public health procedures needed to address COVID-19 concerns the Chief Election Inspector may need to limit the number of observers in the voting areas at any specific time.

A rotation or schedule may be established if there are more observers than the voting area or central count location can accommodate.
