

*Bringing together  
election officials and  
law enforcement to  
ensure safe and secure  
elections*

## **Our Mission**

*The Committee for Safe and Secure Elections features cross-partisan experts in election administration and law enforcement who aim to support policies and practices that protect election workers and voters from violence, threats, and intimidation. The Committee also works to build relationships and trust between election officials and law enforcement to better equip both to prevent and respond to threats and violence against voters and election workers.*

# Five Steps to Safer Elections

## 1 Meet

*Meet with counterparts and  
other stakeholders*

## 2 Share

*Share experiences, contact  
information, election details,  
and expectations*

## 3 Agree

*Agree to work together regularly  
and define rules of engagement  
where voters are present*

## 4 Plan

*Plan incident response,  
information sharing, and crisis  
communications*

## 5 Practice

*Practice information sharing  
and response plans*
